TIPS FOR A GREAT FIRST DAY OF DANCE CLASS

The first day of dance class is exciting, and we can't wait to start this journey with each of you! Please remember that there is a lot of "hustle & bustle" the first week of dance so we want to help make this even more memorable, please feel free to ask any questions we are here to help!

Do you have a child who is a bit shy or takes time to warm up? No worries, we will team them up with a class buddy to make their dance time even more special. Feel free to stop by the studio in advance, or arrive an extra few minutes early to help them become comfortable in their new surroundings. Once they are in the dance room, our teachers will take over and ensure all dancers are participating while making friends and having fun.

Remember you can view all classes on in our lobby on our studio monitors. Try to arrive early as it is more difficult to adapt to walking into class later than our dance friends. Always feel free to ask any questions, we want our families to feel prepared and "in the know".

Arrive early and meet our staff, get any last minute questions answered and take photos at our 1st Day of Class Backdrop.

Take photos! Tag us! **@prodanceelite on IG and FB - *Be an Insta-Star!!**

Now sit back, Relax and enjoy watching the incredible dance journey your dancer is about to take!

TIPS FOR WHAT TO WEAR TO DANCE CLASS

The first day of dance class is exciting, and we can't wait to start this journey with each of you! Here are some helpful suggestions on attire for dance classes for our little ones.

Twinkle Toes & Pop N' Princess Combo Classes:

Footwear: Ballet Shoes or Jazz Shoes. Tap shoes if the Tuesday class.

Attire: We encourage our little ones to show their personalities with their attire. Many dancers wear leotards, tights, tutu/skirts or biketards/shorts. Make sure dancers can move and outfit is not itchy or distracting.

Ballet Class:

Footwear: Ballet shoes

Attire: Females - Leotard, camisole leotard, dance shorts with ballet tights. May add tutu or skirt if preferred.

Boy Dancers: Solid colored tank or t-shirt & pants.

Hip Hop, Hippy Hop, Jazz, Contemporary, Poms, Tumble, Tap or Boyz Crew Classes:

Footwear: Sneakers or tennis shoes with socks. Poms and funky jazz may use jazz shoes. Contemporary/Lyrical may use jazz shoes, ballet shoes, socks or barefoot. Tap must have tap shoes. Tumble Acro may go barefoot.

Attire: Shorts, tanks/t shirts, leotards, bike-tards ect. Make sure dancers can move and outfit is not itchy or distracting
